

Conductor Carl

says

Roll up into the shape of an orange inside a freight crate.

Conductor Carl

says

Tell me your destination
and hand me your ticket
like a tourist.

Conductor Carl

says

Pretend to load a crate onto
the train with a handcart.

Conductor Carl

says

Make the “chug-chug”
sound of the locomotive.

Conductor Carl

says

Drive the train like
an engineer.

Conductor Carl

says

Pretend to be the hands on
a pocket watch.

Conductor Carl

says

Carry your luggage onto
the train like a passenger.

Conductor Carl

says

Click like a telegraph.

Conductor Carl

says

Toot like a train whistle.

Conductor Carl

says

Utter the “poketa-poketa” of the sound of the steel wheels rolling along the track.

Conductor Carl

Crisscross your arms like
a railroad crossing sign.

I didn't say "Conductor Carl Says" ;-)
